CWE Family

- | | | |
|--|---|--|
| <div>CWE-118</div> <div>Incorrect Access of Indexable Resource ('Range Error')</div> | <div>CWE-662</div> <div>Improper Synchronization</div> | <div>CWE-269</div> <div>Improper Privilege Management</div> |
| <div>CWE-74</div> <div>Improper Neutralization of Special Elements ('Injection')</div> | <div>CWE-285</div> <div>Improper Authorization</div> | <div>CWE-913</div> <div>Improper Control of Dynamically-Managed Code Resources</div> |
| <div>CWE-668</div> <div>Exposure of Resource to Wrong Sphere</div> | <div>CWE-311</div> <div>Missing Encryption of Sensitive Data</div> | <div>CWE-369</div> <div>Divide By Zero</div> |
| <div>CWE-20</div> <div>Improper Input Validation</div> | <div>CWE-610</div> <div>Externally Controlled Reference to a Resource in Another Sphere</div> | <div>CWE-705</div> <div>Incorrect Control Flow Scoping</div> |
| <div>CWE-287</div> <div>Improper Authentication</div> | <div>CWE-684</div> <div>Incorrect Provision of Specified Functionality</div> | <div>CWE-602</div> <div>Client-Side Enforcement of Server-Side Security</div> |
| <div>CWE-476</div> <div>NULL Pointer Dereference</div> | <div>CWE-923</div> <div>Improper Restriction of Communication Channel to Intended Endpoints</div> | <div>CWE-191</div> <div>Integer Underflow (Wrap or Wraparound)</div> |
| <div>CWE-706</div> <div>Use of Incorrectly-Resolved Name or Reference</div> | <div>CWE-327</div> <div>Use of a Broken or Risky Cryptographic Algorithm</div> | <div>CWE-754</div> <div>Improper Check for Unusual or Exceptional Conditions</div> |
| <div>CWE-190</div> <div>Integer Overflow or Wraparound</div> | <div>CWE-704</div> <div>Incorrect Type Conversion or Cast</div> | <div>CWE-657</div> <div>Violation of Secure Design Principles</div> |
| <div>CWE-404</div> <div>Improper Resource Shutdown or Release</div> | <div>CWE-834</div> <div>Excessive Iteration</div> | <div>CWE-1357</div> <div>Reliance on Insufficiently Trustworthy Component</div> |
| <div>CWE-345</div> <div>Insufficient Verification of Data Authenticity</div> | <div>CWE-330</div> <div>Use of Insufficiently Random Values</div> | <div>CWE-665</div> <div>Improper Initialization</div> |
| <div>CWE-400</div> <div>Uncontrolled Resource Consumption</div> | <div>CWE-669</div> <div>Incorrect Resource Transfer Between Spheres</div> | |
